## **MRCB Distributes Mineral Water To Cheras Residents Affected By Water Supply Interruption**

---

**Cheras, Kuala Lumpur 21 February 2014** – Malaysian Resources Corporation Berhad (MRCB) today distributed a total of 2,500 bottles of 5.5ml mineral water to residents in two housing areas in Cheras.

Yang Berbahagia Datuk Mohamad Salim Fateh Din, MRCB's Group Managing Director accompanied Yang Amat Berbahagia Datin Paduka Seri Rosmah Mansor, wife to the Prime Minister, to distribute the 5.5-litre bottles of mineral water to more than 1,000 households.

Datin Paduka Seri Rosmah and Datuk Salim handed out the bottled water at the Seri Perindu Apartment community in Taman Alam Damai and at the Taman Desa Baiduri, both areas are within Cheras, where residents turned out to receive their share of the bottled water.

The activity is part of MRCB's ongoing Corporate Social Responsibility initiative, which in this case was aimed at easing the burden of communities in the Klang Valley experiencing water supply interruption during this dry spell that also impacts other urban areas in the country.

The households in Seri Perindu, Taman Desa Cheras and Taman Desa Baiduri apartments are located in areas that have been issued with notices of unscheduled water supply interruption.

Syarikat Bekalan Air Selangor Sdn Bhd (Syabas) issued the unscheduled water supply interruption notice on Monday involving 29 areas in Kuala Lumpur and Selangor as the Sungai Langat Dam can no longer support the high water demand due to the hot weather.

MRCB is actively involved in various corporate social responsibility (CSR) programmes including environmental protection programmes, river rehabilitation, education, adoption of schools under PINTAR foundation, feed the homeless, contribution to natural disaster, contribution in kind and cash to charitable causes and organizations.
